Our residents enjoy hiking on our 140-acre property, as well as gathering to share meals, celebrate birthdays and holidays, playing games or golfing and traveling together.

You may choose a flat-roof Pueblo style or a pitched-roof Northern New Mexico style for either floorplan.

We believe that many people are interested in simplifying, and reallocating their time and personal resources to the things that give them pleasure and their lives a sense of meaning. To that regard, we encourage our lot owners to build homes with a smaller "footprint" allowing the emphasis to be put on interior detail and livability rather than quantity of space. Our covenants currently allow homes of between 900 to 3000 square feet.

In Beauty May I Walk

In beauty may I walk;
All day long may I walk;
Through the returning seasons may I walk.

Beautifully will I possess again
Beautifully birds
Beautifully butterflies...

On the trail marked with pollen may I walk;
With grasshoppers about my feet may I walk;
With dew around my feet may I walk.

With beauty before me may I walk
With beauty behind me may I walk
With beauty above me may I walk
With beauty all around me may I walk
With beauty all around me,
may I walk.

In old age, wandering on a trail of beauty, lively, may I walk
In old age, wandering on a trail of beauty, living again, may I walk
It is finished in beauty.
It is finished in beauty.

Navajo Prayer
